

*It's not important who does the planting, or who does the watering. What's important is that God makes the seed grow.*

~ 1 Corinthians 3:7

## We have a lot of information on:

- Our Projects
- Newsletters
- Partnerships
- How to Donate
- Volunteer Projects
- Events throughout the Year
- How To Get Involved
- Our Gallery of Photographs
- Much, Much More!

**MISSION** - Our mission is to utilize gardening as a conduit for engaging the community with charitable giving, community organization, educational outreach, therapeutic facilitation and leadership development.

# PARTNERSHIPS

Thanks to Brian Malahy at GKN for coordinating with his company to partner with Hickory Greenway Harvest!

# PARTNERING TOGETHER

CULTIVATING A CARING COMMUNITY THROUGH LASTING PARTNERSHIPS

Our mission is to utilize gardening as a conduit for engaging the community with charitable giving, community organization, educational outreach, therapeutic facilitation, and leadership development.

## What can a garden grow?

From Marcus Miller, HGH Founder and Chairman  
August 12, 2017 was GKN Sinter Metals Volunteer Day. HGH would like to say, "Thank you" to a great group of people from GKN Sinter Metals in Conover! We are excited about the possibilities that this partnership offers and we look forward to working with this crowd again very soon.

"Great opportunity to showcase GKN's leadership while learning about innovative ways of feeding an urban community"

"Great activity to connect with the community and old friends"

"Getting back to our roots and healing the soul....having fun in nature and showing compassion for your neighbors"

HGH was founded by Marcus P. Miller who has a passion for helping others and garden programs that give back to the community. A group of like-minded coworkers, community leaders, and master gardeners joined Marcus to form HGH - an organization that seeks to develop leaders while teaching the community about agriculture and sustainability.
