Our Vision Hickory Greenway Harvest

We work to facilitate a cooperative effort of multiple organizations in order to provide fresh grown produce and feed the less fortunate of our community; to provide educational opportunities that demonstrate the art of cultivating the land for agricultural use; and to develop a grassroots campaign that brings the community together to foster sustainable support for our fellow citizens.

Planting and Harvesting all Gardens

We ♥ our Volunteers

Thanks to all who came out to help Build-A-Bed at our new HGH Veterans Memorial Garden. Thanks to Raising Roots Farm. What a wonderful family. We appreciate each and every one of you that worked hard today to achieve our dream. Thanks to our Volunteers and Board Members that have been dedicated to continuing the Legacy of Fred D Abernethy. This is a new chapter for our organization.

THANKFUL

Harvesting and Preparing all Gardens

Want to join me in supporting a good cause? HGH is raising money for Hickory Greenway Harvest and your contribution will make an impact, whether you donate \$5 or \$500. Every little bit helps. This money goes to maintaining the 30 Raised Garden Beds, HGH Farm, Safe Harbor, Soup Kitchen and Veterans Farm in the Community. These funds pay for fertilizer, compost, tools, equipment, plants, seeds, lumber for beds, etc. Help us help others! Thank you for your support.
